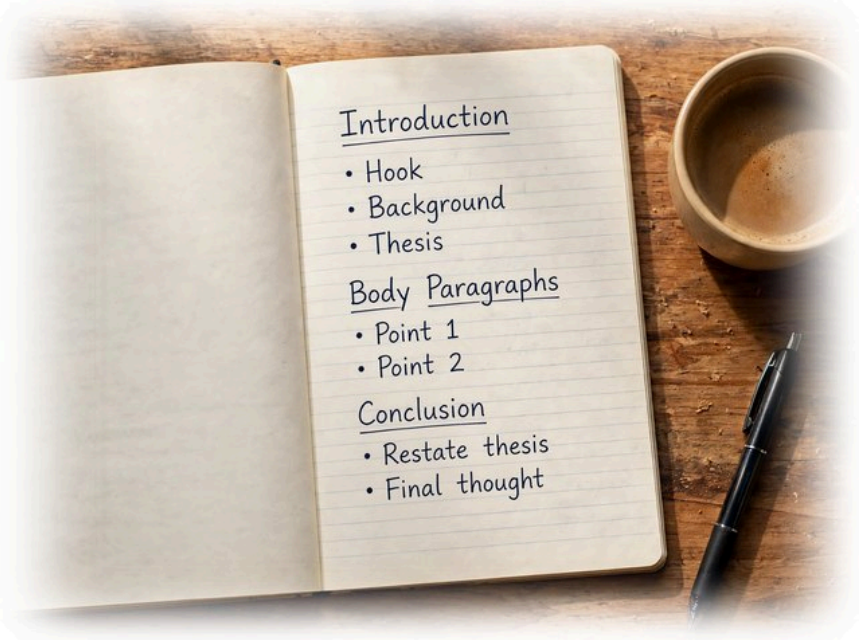
Source III - Draft Conclusion

Use this reading for questions 1 to 5.

In conclusion, schools should offer more art classes. Art helps students think creatively and express ideas. Also, scientists just discovered a new planet. Art classes give students a chance to try new materials and share their work.

1 **An open notebook shows a handwritten essay outline with introduction, body paragraphs and conclusion. According to Source III, which sentence should be removed from the conclusion?**



A In conclusion, schools should offer more art classes

B Art helps students think creatively and express ideas

C Also, scientists just discovered a new planet

D Art classes give students a chance to try new materials and share their work
