Credit, Buying Decisions and Small Business — Practice Test

This practice test was made by AI and there may be mistakes. If a question or answer looks wrong, use the Flag a mistake button to let Brett know so he can fix it.

1 **Janelle can rent a trailer for $ 150 per week, or buy the same trailer for $ 3 900 . She needs the trailer for 30 weeks. Which statement about the two options is correct?**

- **A** Buying is cheaper. Renting for 30 weeks costs $ 4 500 , which is $ 600 more than buying
- **B** Renting is cheaper. Renting for 30 weeks costs $ 3 900 , which is less than buying
- **C** Both options cost $ 4 500 in total, so neither option is cheaper
- **D** Renting costs $ 4 500 in total, which is $ 600 less than buying
