- D the whole group a study is about

Understand It with Pulse | Flag a mistake

2 Which statement about Control group is correct

- A a group chosen to represent a larger population
- B the whole group a study is about
- C a testable prediction in research
- D a group not given the treatment in an experiment

Understand It with Pulse | Flag a mistake

3 Which statement about Sample is correct

- A a group chosen to represent a larger population
- B the whole group a study is about
- C a testable prediction in research
- D a well supported explanation in science

Understand It with Pulse | Flag a mistake

4 **Which statement about Population is correct**

A a testable prediction in research

B the whole group a study is about

C a well supported explanation in science

D recorded facts from observation or measurement

Understand It with Pulse | Flag a mistake

5 **Which statement about Hypothesis is correct**

A a well supported explanation in science

B recorded facts from observation or measurement

C a testable prediction in research

D examining data to find patterns

Understand It with Pulse | Flag a mistake

6 **Which statement about Theory is correct**

A recorded facts from observation or measurement

B examining data to find patterns

C a judgment based on research results

D a well supported explanation in science

Understand It with Pulse | Flag a mistake

7 **Which statement about Data is correct**

A recorded facts from observation or measurement

B examining data to find patterns

C a judgment based on research results

D extra material at the end of a document

Understand It with Pulse | Flag a mistake

8 **Which statement about Analysis is correct**

A a judgment based on research results

B examining data to find patterns

C extra material at the end of a document

D a brief summary at the start of a paper

Understand It with Pulse | Flag a mistake

9 **Which statement about Conclusion is correct**

A extra material at the end of a document

B a brief summary at the start of a paper

C a judgment based on research results

D the methods used in a study

Understand It with Pulse | Flag a mistake

10 **Which statement about Appendix is correct**

A a brief summary at the start of a paper

B the methods used in a study

C the results discovered in research

D extra material at the end of a document

Understand It with Pulse | Flag a mistake

ANSWER KEY

1.	C	**5.**	C	**9.**	C
2.	D	**6.**	D	**10.**	D
3.	A	**7.**	A		
4.	B	**8.**	B
