Passage Three: Trade

Use this reading for question 19.

International trade allows countries to specialize in goods they produce efficiently and exchange them for other goods. This principle, called comparative advantage, can lower prices and increase choice, but it can also disrupt workers in industries that lose out.

19 **What does Passage Three say is the trade-off of trade?**

Question 19

What does Passage Three say is the trade – off of trade?

A) Lower prices and more choice, but disruption for some workers

B) Higher prices and less choice

C) No effect on workers

D) Only benefits, no costs

- **A** Lower prices and more choice, but disruption for some workers
- **B** Higher prices and less choice
- **C** No effect on workers
- **D** Only benefits, no costs

Passage Four: Sovereignty

Use this reading for question 20.

Geopolitics concerns power and place. Sovereignty means a state has supreme authority within its territory. Territorial integrity means other states should not violate its borders by force or threat. Alliances and international law help manage these claims.

20 **Two states disagree about a border. According to Passage Four, what can help manage their claims?**

Question 20

Two states disagree about a border. According to Passage Four, what can help manage their claims?

A) Alliances and international law

B) Force alone

C) Ignoring the border

D) Trade bans only

- **A** Alliances and international law
- **B** Force alone
- **C** Ignoring the border
- **D** Trade bans only

Passage One: Human Rights

Use this reading for question 21.

Human rights belong to every person simply because they are human. The Universal Declaration of Human Rights, adopted in 1948, sets out civil, political, economic, social and cultural rights that states should respect and protect.

21 **Why does Passage One say human rights belong to every person?**

Question 21

Why does Passage One say human rights belong to every person?

A) Because states grant them

B) Simply because they are human

C) Because they were adopted in 1948

D) Because they are duties

- **A** Because states grant them
- **B** Simply because they are human
- **C** Because they were adopted in 1948
- **D** Because they are duties
