Transcript III - Practising for an Interview

Use this reading for questions 1 to 5.

CASEY: Tell me about a time you worked as part of a team.

RILEY: Last spring I helped run a food drive at school. I counted donations, and I worked with two other students to sort them into boxes.

CASEY: That is a good example, but you spoke very quietly, and I could not hear the last part. Can you say it again, a little louder and a little slower?

RILEY: Sure. I counted donations, and I worked with two other students to sort them into boxes for families in our town.

CASEY: Much clearer. One more tip: look at the person you are speaking to, instead of looking at the floor.

RILEY: Thanks. I will practise that too. I want to sound confident, but I also want to sound honest about what I actually did.
