Understand It with Pulse | Flag a mistake

2 **In analysing world problems and current events, which term matches this description? a recent happening studied for its causes and effects**

A source reliability

B bias detection

C current event analysis

D cause and effect analysis

Understand It with Pulse | Flag a mistake

3 **In analysing world problems and current events, which phrase is most closely linked to current event analysis?**

A source trustworthiness

B one sided slant spotting

C recent happening study

D event tracing

Understand It with Pulse | Flag a mistake

4 **In analysing world problems and current events, what does source reliability mean?**

- A spotting one sided slant in a report
- B tracing what led to an event and what followed
- C two things changing together without proof one causes the other
- D how trustworthy a source of information is

Understand It with Pulse | Flag a mistake

5 **In analysing world problems and current events, which term matches this description? how trustworthy a source of information is**

- A source reliability
- B bias detection
- C cause and effect analysis
- D correlation analysis

Understand It with Pulse | Flag a mistake

6 **In analysing world problems and current events, which phrase is most closely linked to source reliability?**

- A one sided slant spotting
- B source trustworthiness
- C event tracing
- D together changing

Understand It with Pulse | Flag a mistake

7 **In analysing world problems and current events, what does bias detection mean?**

- A tracing what led to an event and what followed
- B two things changing together without proof one causes the other
- C spotting one sided slant in a report
- D the viewpoint from which an event is seen

Understand It with Pulse | Flag a mistake

8 **In analysing world problems and current events, which term matches this description? spotting one sided slant in a report**

- A cause and effect analysis
- B correlation analysis
- C perspective analysis
- D bias detection

Understand It with Pulse | Flag a mistake

9 **In analysing world problems and current events, which phrase is most closely linked to bias detection?**

- A one sided slant spotting
- B event tracing
- C together changing
- D event viewpoint

Understand It with Pulse | Flag a mistake

10 **In analysing world problems and current events, what does cause and effect analysis mean?**

A two things changing together without proof one causes the other

B tracing what led to an event and what followed

C the viewpoint from which an event is seen

D judging how well facts support a claim

Understand It with Pulse | Flag a mistake

11 **In analysing world problems and current events, which term matches this description? tracing what led to an event and what followed**

A correlation analysis

B perspective analysis

C cause and effect analysis

D evidence evaluation

Understand It with Pulse | Flag a mistake

12 **In analysing world problems and current events, which phrase is most closely linked to cause and effect analysis?**

- A together changing
- B event viewpoint
- C fact support judging
- D event tracing

Understand It with Pulse | Flag a mistake

13 **In analysing world problems and current events, what does correlation analysis mean?**

- A two things changing together without proof one causes the other
- B the viewpoint from which an event is seen
- C judging how well facts support a claim
- D studying a government plan and its likely effects

Understand It with Pulse | Flag a mistake

14 **In analysing world problems and current events, which term matches this description? two things changing together without proof one causes the other**

A perspective analysis

B correlation analysis

C evidence evaluation

D policy analysis

Understand It with Pulse | Flag a mistake

15 **In analysing world problems and current events, which phrase is most closely linked to correlation analysis?**

A event viewpoint

B fact support judging

C together changing

D government plan study

Understand It with Pulse | Flag a mistake

16 **In analysing world problems and current events, what does perspective analysis mean?**

A judging how well facts support a claim

B studying a government plan and its likely effects

C deep study of one example to learn general lessons

D the viewpoint from which an event is seen

Understand It with Pulse | Flag a mistake

17 **In analysing world problems and current events, which term matches this description? the viewpoint from which an event is seen**

A perspective analysis

B evidence evaluation

C policy analysis

D case study analysis

Understand It with Pulse | Flag a mistake

18 **In analysing world problems and current events, which phrase is most closely linked to perspective analysis?**

A fact support judging

B event viewpoint

C government plan study

D single example study

Understand It with Pulse | Flag a mistake

19 **In analysing world problems and current events, what does evidence evaluation mean?**

A studying a government plan and its likely effects

B deep study of one example to learn general lessons

C judging how well facts support a claim

D a pattern shown by numbers over time

Understand It with Pulse | Flag a mistake

20 **In analysing world problems and current events, which term matches this description? judging how well facts support a claim**

- A policy analysis
- B case study analysis
- C statistical trend
- D evidence evaluation

Understand It with Pulse | Flag a mistake

21 **In analysing world problems and current events, which phrase is most closely linked to evidence evaluation?**

- A fact support judging
- B government plan study
- C single example study
- D number pattern

Understand It with Pulse | Flag a mistake

22 **In analysing world problems and current events, what does policy analysis mean?**

A deep study of one example to learn general lessons

B studying a government plan and its likely effects

C a pattern shown by numbers over time

D skill in judging news and media messages

Understand It with Pulse | Flag a mistake

23 **In analysing world problems and current events, which term matches this description? studying a government plan and its likely effects**

A case study analysis

B statistical trend

C policy analysis

D media literacy analysis

Understand It with Pulse | Flag a mistake

24 **In analysing world problems and current events, which phrase is most closely linked to policy analysis?**

A single example study

B number pattern

C news judging skill

D government plan study

Understand It with Pulse | Flag a mistake

25 **In analysing world problems and current events, what does case study analysis mean?**

A deep study of one example to learn general lessons

B a pattern shown by numbers over time

C skill in judging news and media messages

D comparing cases to find similarities and differences

Understand It with Pulse | Flag a mistake

ANSWER KEY

1. A
2. C
3. C
4. D
5. A
6. B
7. C
8. D
9. A
10. B
11. C
12. D
13. A
14. B
15. C
16. D
17. A
18. B
19. C
20. D
21. A
22. B
23. C
24. D
25. A
