Scenario II - Listening to Instructions

Use this reading for questions 1 to 5.

A teacher gives oral instructions for a class field trip. She says the bus leaves at nine oclock, students must bring a lunch and a water bottle, and phones must stay in bags during the tour. She also says the group will meet by the front doors at the end of the tour.

Maya listens carefully, writes down the meeting place and the departure time, and then asks whether students need money for the tour. The teacher says no money is needed.
