D production organized in large buildings with machines and workers

Understand It with Pulse | Flag a mistake

5 **In the industrial revolution, which term matches this description? production organized in large buildings with machines and workers**

A factory system

B steam engine

C textile mill

D urban growth survey

Understand It with Pulse | Flag a mistake

6 **In the industrial revolution, which phrase is most closely linked to factory system?**

A steam power

B large workshop production

C cloth factory

D rapid town growth

Understand It with Pulse | Flag a mistake

7 **In the industrial revolution, what does steam engine mean?**

A a factory spinning or weaving cloth

B rapid growth of towns as people moved for factory work

C an engine powered by steam driving machines and transport

D the safety hours and pay of factory workers

Understand It with Pulse | Flag a mistake

8 **In the industrial revolution, which term matches this description? an engine powered by steam driving machines and transport**

- A textile mill
- B urban growth survey
- C working conditions survey
- D steam engine

Understand It with Pulse | Flag a mistake

9 **In the industrial revolution, which phrase is most closely linked to steam engine?**

- A steam power
- B cloth factory
- C rapid town growth
- D worker safety and pay

Understand It with Pulse | Flag a mistake

10 **In the industrial revolution, what does textile mill mean?**

- A rapid growth of towns as people moved for factory work
- B a factory spinning or weaving cloth
- C the safety hours and pay of factory workers
- D workers organized to seek better pay and conditions

Understand It with Pulse | Flag a mistake

11 **In the industrial revolution, which term matches this description? a factory spinning or weaving cloth**

- A urban growth survey
- B working conditions survey
- C textile mill
- D labour union survey

Understand It with Pulse | Flag a mistake

12 **In the industrial revolution, which phrase is most closely linked to textile mill?**

A rapid town growth

B worker safety and pay

C organized workers

D cloth factory

Understand It with Pulse | Flag a mistake

13 **In the industrial revolution, what does urban growth survey mean?**

A rapid growth of towns as people moved for factory work

B the safety hours and pay of factory workers

C workers organized to seek better pay and conditions

D making large quantities of identical goods cheaply

Understand It with Pulse | Flag a mistake

14 **In the industrial revolution, which term matches this description? rapid growth of towns as people moved for factory work**

A working conditions survey

B urban growth survey

C labour union survey

D mass production

Understand It with Pulse | Flag a mistake

15 **In the industrial revolution, which phrase is most closely linked to urban growth survey?**

A worker safety and pay

B organized workers

C rapid town growth

D large quantity making

Understand It with Pulse | Flag a mistake

16 **In the industrial revolution, what does working conditions survey mean?**

A workers organized to seek better pay and conditions

B making large quantities of identical goods cheaply

C energy from burning coal to drive industry

D the safety hours and pay of factory workers

Understand It with Pulse | Flag a mistake

17 **In the industrial revolution, which term matches this description? the safety hours and pay of factory workers**

A working conditions survey

B labour union survey

C mass production

D coal power

Understand It with Pulse | Flag a mistake

18 **In the industrial revolution, which phrase is most closely linked to working conditions survey?**

A organized workers

B worker safety and pay

C large quantity making

D coal energy

Understand It with Pulse | Flag a mistake

19 **In the industrial revolution, what does labour union survey mean?**

A making large quantities of identical goods cheaply

B energy from burning coal to drive industry

C workers organized to seek better pay and conditions

D building rail lines linking industrial towns and ports

Understand It with Pulse | Flag a mistake

20 **In the industrial revolution, which term matches this description? workers organized to seek better pay and conditions**

A mass production

B coal power

C railway expansion

D labour union survey

Understand It with Pulse | Flag a mistake

21 **In the industrial revolution, which phrase is most closely linked to labour union survey?**

A organized workers

B large quantity making

C coal energy

D rail building

Understand It with Pulse | Flag a mistake

22 **In the industrial revolution, what does mass production mean?**

- A energy from burning coal to drive industry
- B making large quantities of identical goods cheaply
- C building rail lines linking industrial towns and ports
- D children working long hours in factories or mines

Understand It with Pulse | Flag a mistake

23 **In the industrial revolution, which term matches this description? making large quantities of identical goods cheaply**

- A coal power
- B railway expansion
- C mass production
- D child labour survey

Understand It with Pulse | Flag a mistake

24 **In the industrial revolution, which phrase is most closely linked to mass production?**

A coal energy

B rail building

C child factory work

D large quantity making

Understand It with Pulse | Flag a mistake

25 **In the industrial revolution, what does coal power mean?**

A energy from burning coal to drive industry

B building rail lines linking industrial towns and ports

C children working long hours in factories or mines

D splitting production into small specialized tasks

Understand It with Pulse | Flag a mistake

ANSWER KEY

1. A
2. A
3. C
4. D
5. A
6. B
7. C
8. D
9. A
10. B
11. C
12. D
13. A
14. B
15. C
16. D
17. A
18. B
19. C
20. D
21. A
22. B
23. C
24. D
25. A
