Reading I - A Berlin Letter, 1948

Use this reading for questions 1 to 3.

The Soviets have blocked every road and rail line into our part of Berlin. No food or coal comes by land, and the city is cut off.

But day and night we hear planes overhead. Western aircraft bring flour, milk, and coal, landing every few minutes. The blockade has failed to starve us.

- A West Berlin resident, in an invented letter, 1948
