Civil Law and Tort — Practice Test

This practice test was made by AI and there may be mistakes. If a question or answer looks wrong, use the Flag a mistake button to let Brett know so he can fix it.

Reading I - Icy Steps at a Store

Use this reading for questions 1 to 3.

On a cold morning, Priya walked up the front steps of a grocery store and slipped on ice. She broke her wrist and missed two weeks of work. The store manager later admitted that staff had seen the ice an hour earlier but had not salted the steps and had not put out a warning sign.

Priya sued the store. She argued that the store owed care to its customers, failed to take reasonable care, and caused her injury and lost wages.

1 **The central claim of Reading I, Icy Steps at a Store, is that Priya can succeed in negligence if she proves the store owed her care, breached that care, and**

- A the breach caused her injury and loss
- B the store intended to hurt her
- C she was the only customer that day
- D the weather was cold
